

# † SAINT MARK FUNFEST

Our annual FunFest is approaching fast! Due to popular demand, the 2010 FunFest will again span 3 days - July 22, 23 & 24. **We are excited this year to welcome WFMS!** Their Friends & Neighbors remote broadcast will help kickoff our event on Thursday evening. With this great publicity, more amusement rides, games, great food and other exciting activities, we hope once again to set attendance records.

As always, the overall success of the FunFest depends largely on the generosity and support of our friends and community businesses. When you choose to be a sponsor, you and your company are recognized by potentially thousands of people as a FunFest contributor. This is your opportunity to market your business to not only our parishioners but also the larger southside community. **Our ideal location on US 31 provides maximum exposure!**

Inside you will find **3 easy ways to become involved and get your business noticed!** From donating gift certificates to title sponsorships we think you will find options of all levels that will allow your business to support this great cause as well as bring more customers in your door.

We thank you in advance for your support and look forward to speaking with you soon!

## Promote Your Business

A sure way to generate traffic to your business is through donating gift cards, gift certificates or merchandise. In some cases these items will attract entirely new customers for your business, in others it will prompt a return visit.

Gift cards or merchandise can represent a relatively low cost way to not only promote your core business but also help our event raise money through their inclusion in raffles and silent auctions.

In addition to customer exposure your business will be recognized in the sponsors section of our 2010 Event Guide at a title sponsorship level equal to the donation amount.

## Donate Products or Services

Your business may be in an industry that provides the services or products that we need to operate our FunFest. By offering a full or partial donation in this area, you can help us to lower our operating expenses and raise more money for the many groups within St. Mark parish.

### Can your business assist in any of the following areas?

- Tent, table and chair rentals
- Ice and/or beverages
- Banners and signs
- Food (produce or frozen foods)
- Golf carts

The value of your in-kind donation will be recognized consistently and prominently based on the sponsorship levels as outlined.

## Title Sponsorships

Title Sponsors provide monetary donations that not only help us pay for expenses but also benefit our school and various other ministries at St. Mark Parish.

There are five sponsorship levels. Each level gives your business more exposure at the FunFest and within our parish community.
